

Enrolment Information Pack

UEE42611 Certificate IV in Hazardous Areas – Electrical

Dear Student

Thank you for your interest in Nationally recognized training through Tech Skills Australia. You will find information for **UEE42611 Certificate IV in Hazardous Areas – Electrical** The information provided below is everything you need to know for the course enrolment. Please feel free to contact our offices to discuss course packaging.

Enrolment Procedure	Fill out and sign the application form (<i>Appendix A</i> – <i>Enrolment Form</i>) provided by Tech Skills Australia and await application acceptance. Tech Skills Australia will make contact by phone or email to confirm your enrolment.
	If you are undertaking nationally recognized training delivered by a registered training organization you will need to have a Unique Student Identifier (USI). (<i>Attachment – Creating your USI Instructions</i>)
Orientation Procedure	Students will be provided with information that will assist them in the successful completion of studies and achievement of competency prior to commencing each session. We will provide you with a Student Handbook.
Course Content	 Tech Skills Australia will provide training and assessment that leads to the achievement of competency in UEE42611 Certificate IV in Hazardous Areas – Electrical The course will normally be delivered over a period of 7 days from 7.30am to 4.30pm on each scheduled day. (Appendix B – Course Content based on Packaging Rules)
	Course Fee: Unfunded Course Fee - \$2,800.00 (two instalments)
Fees and refund policy	 Enrolment deposit - \$1,500.00 (deposit secures your place in the course) On commencement of training (beginning of first week) - \$1,300.00 (balance of 1st week training/tuition)
	 Tech Skills Australia will apply the following percentage of refund to all training cancellations: Any cancellation with 7 days or more notice will receive a full refund, less a 10% administration fee. Any cancellation with less than 7 days' notice will receive a 50% refund on fees paid.

	 No refunds will be issued if cancellation has been received less than 72 hours before the commencement of the nominated course or after a course has commenced Refunds will be credited to a nominated bank account within 10 working days; upon written receipt of cancellation. If circumstances indicate that services have not been satisfactorily rendered all fees will be refunded in full.
Welfare and Guidance	All students experiencing any difficulty or concerns about their training experience should make contact with the lecturer or Tech Skills Australia's Management where a range of solutions may be discussed and provided.
Complaints and Appeals	The complaints and appeals policy of Tech Skills Australia provide an avenue for students to address their complaints and appeals to Tech Skills Australia's Management and have them dealt with in a constructive and timely manner.
Disciplinary Procedures	Students who are unruly, offensive or conduct themselves in a disrespectful manner toward Tech Skills Australia's staff or fellow students will be offered one warning to desist their behaviour, after which continued behavior will result in their enrolment being cancelled. Plagiarism will not be tolerated and if identified may result in revocation of certification following the award of any qualification issuance.
Access and Equity	 Tech Skills Australia is committed to providing training and assessment services to all clients regardless of race religion sex socio-economic status, disability, language, literacy or numeracy. (<i>Refer to www.techskillsau.com.au</i> for – <i>Policy Access and Equity</i>) Language, Literacy and Numeracy All students who advise Tech Skills Australia's staff of their special learning needs will be provided with the appropriate support and guidance with the aim of assisting the student to obtain competency in the course undertaken. This assistance provided by Tech Skills Australia Staff will be within the principles of fairness and flexibility of workplace assessment and will be offered in a discrete manner. The needs of learners are considered in the assessment process and reasonable adjustments are made to accommodate the learner. The assessment process is flexible. Based on the cohort of learners and their pre requisites for course enrolment there is less room for TSA to be flexible as learners require good LLN skills, must have a current unrestricted Electricians licence (issued in an Australian State or territory) and meet all the requirements to have registered as an Electrician. Knowledge, skills and attributes of an electrician: Good vision and hand-eye coordination Accuracy, with a keen eye for detail Good physical fitness

	• Able to work independently and in a team.
Student Records	All students have timely access to current and accurate records of their participation. Students seeking advice concerning their course participation should in the first instance contact Tech Skills Australia's reception.
Legislative Compliance	Tech Skills Australia's Management and staff conducts periodic reviews to ensure that it is compliant with all state and federal legislative requirements for RTO's including but not limited to OH&S, Harassment, Discrimination, Equal Opportunity and Vocational Education and training legislation. Enrolled students may request access to Legislation via their designated Trainer / Assessor.
National Recognition	Tech Skills Australia recognises qualifications and statements of attainment issued by other Registered Training Organization under the Australian Qualifications Framework.
Recognition of Prior Learning /Credit transfer	This criteria is dependent on your previous qualifications. Please contact our offices for guidance on which procedure is applicable to you. Recognition of Prior Learning (RPL) is offered to all students enrolling at Tech Skills Australia. Where sufficient documentation is provided Tech Skills Australia will provide credit to enrolling students. Tech Skills Australia recognises all current competencies held by students regardless of how, where or when these competencies were learned. If a student would like to pursue RPL they can apply at enrolment. For Credit Transfer (CT) Tech Skills Australia will verify the authenticity of any AQF qualifications and statements of attainment issued by other RTOs and issue credits as appropriate.

TRAINING ENROLMENT FORM

Instructions:

Fill in all sections clearly and carefully by writing in block letters. Please ensure that all fields are completed and submitted by email, mail or online <u>www.techskillsau.com.au</u>

Information requested on this form is for national database and tracking purposes and assists in ongoing qualification issuance as required.

All data is confidential and is not forwarded to any other party with the sole exception of the national statistical database to inform future federal funding in Vocational Training.

TSA will only commence the enrolment process once this form has been signed, your deposit for course fee has been receipted and we have copies of your licenses.

Modes of delivery:			
Training Agreement No. (Applicable to Traineeships Only)			
4. EMPLOYMENT DETAILS			
Business Name:			
Contact Name:			
Address:			
Town/Suburb	Telephone:		
5. LANGUAGE AND CULTURAL DELIVERY			
Are you of aboriginal or Torres Strait Islander origin? (For persons of both Aboriginal AND Torres Strait Islander origin, mark both "Yes" boxes)	No Yes, Aboriginal Yes, Torres Strait Islander		
Were you born in Australia? If not, please sp	ecify?		
Do you speak a language other than English at home? No, English only (Go to disability section) Yes, other – please specify			
How well do you speak English? Very Well Well	l Not well Not at all		
6. DISABILITY			
7. EDUCATION			
What is your highest completed school level? In which year did Completed year 12 Completed year Completed year 9 or equivalent Completed year			
Are you still attending secondary school? Ye			
Have you successfully completed any of the following qualifications? Yes (please tick ANY applicable boxes)	No (Go to the Employment section)		
Advanced Diploma or Associate Degree 0 Diploma (or Associate Diploma) 0	Certificate III (or Trade Certificate) Certificate II Certificate I Certificates other than the above		

8. EMPLOYMENT

Of the following categories, which best describes your current employment status? (Tick ONE box only)

Full-time employee Part-time employee

Self employed - not employing others

Employer

Employed – unpaid worker in a family business Unemployed – seeking full-time work Unemployed – seeking part-time work Not employed – not seeking employment

9. STUDY REASON

Of the following categories, which best describes your main reason for undertaking this course/traineeship / apprenticeship? (*Tick ONE box only*)

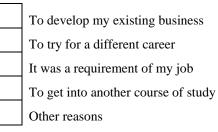

To get a job

To start my own business

To get a better job or promotion

I wanted extra skills for my job

For personal interest or self development

10. CANCELLATIONS AND REFUNDS

All cancellation of attendance of a nominated course must be received in writing.

Tech Skills Australia will apply the following percentage of refund to all training cancellations:

- Any cancellation with 7 days or more notice will receive a full refund, less a 10% administration fee.

Appendix B - Course Content based on Packaging Rules

COURSE CONTENT:

NB. UEENEEG105A - Those holding an 'Unrestricted Electricians Licence' or equivalent issued in an Australian State or Territory meets the requirements of this unit and its pre-requisite requirements.

I.E All units' annotated "Electricians licence" will be eligible for Credit. <u>http://training.gov.au/Training/Details/UEE42611</u>)

Core Competency Core competency	Delivery Method	
UEENEEE038B	Participate in development and follow a personal competency development plan	TSA Training
UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace	Electricians licence
UEENEEE102A	Fabricate, assemble and dismantle utilities industry components	Electricians licence
UEENEEE104A	Solve problems in d.c. circuits	Electricians licence
UEENEEE105A	Fix and secure electrotechnology equipment	Electricians licence
UEENEEE107A	Use drawings, diagrams, schedules, standards, codes and specifications	Electricians licence
UEENEEE117A	Implement and monitor energy sector OHS policies and procedures	TSA Training
UEENEEE124A	Compile and produce an energy sector detailed report	TSA Training
UEENEEE137A	Document and apply measures to control OHS risks associated with electrotechnology work	Electricians licence
UEENEEG006A	Solve problems in single and three phase low voltage machines	Electricians licence
UEENEEG033A	Solve problems in single and three phase low voltage electrical apparatus and circuits	Electricians licence
UEENEEG063A	Arrange circuits, control and protection for general electrical installations	Electricians licence
UEENEEG101A	Solve problems in electromagnetic devices and related circuits	Electricians licence
UEENEEG102A	Solve problems in low voltage a.c. circuits	Electricians licence
UEENEEG103A	Install low voltage wiring and accessories	Electricians licence

	Г	
UEENEEG104A	Install appliances, switchgear and associated	Electricians
	accessories for low voltage electrical installations	licence
UEENEEG105A	Verify compliance and functionality of low voltage	Electricians
	general electrical installations Terminate cables, cords and accessories for low	licence Electricians
UEENEEG106A	voltage circuits	licence
	Select wiring systems and cables for low voltage	Electricians
UEENEEG107A	general electrical installations	licence
	Trouble-shoot and repair faults in low voltage	Electricians
UEENEEG108A	electrical apparatus and circuits	licence
		Electricians
UEENEEG109A	Develop and connect electrical control circuits	licence
UEENEEM080A	Report on the integrity of explosion-protected	TCA Training
UEEINEEIVIU8UA	equipment in a hazardous area	TSA Training
UEENEEK145A	Implement and monitor energy sector environmental	TSA Training
OLENCER143A	and sustainable policies and procedures	13A Hunnig
Group B – Qualifica	ition Elective Units	Delivery
		Method
	Attend to breakdowns in hazardous areas - gas	
UEENEEM020A	atmospheres	TSA Training
	Attend to breakdowns in hazardous areas -	
UEENEEM022A	pressurisation	TSA Training
	Install explosion-protected equipment and wiring	
UEENEEM024A	systems - gas atmospheres	TSA Training
Group C – Qualification Elective Units		Delivery
Group C – Quannea	Ition Elective onits	Method
	Conduct testing of hazardous areas installations —	
UEENEEM039A	gas atmospheres	TSA Training
	Conduct testing of hazardous area installations -	
UEENEEM041A	pressurisation	TSA Training
	Conduct visual inspection of hazardous areas	
UEENEEM042A	installations	TSA Training
	Conduct detailed inspection of hazardous areas	
UEENEEM044A	installations - gas atmospheres	TSA Training
	Conduct detailed inspection of hazardous areas	
UEENEEM046A	installations - pressurisation	TSA Training
UEENEEM078A	Manage compliance of hazardous areas	TSA Training

COURSE OUTCOMES:

A) Full qualification - UEE42611 Certificate IV in Hazardous Areas- Electrical

Graduates who are successfully competent in both theoretical and practical training completing all units of competency in the training package, will be awarded the UEE42611 Certificate IV in Hazardous Areas- Electrical qualification.

B) Statement of Attainment (SOA) - UEE42611 Certificate IV in Hazardous Areas- Electrical

This Statement is issued to a student who has successfully completed one or more units of competency but does not meet the requirements for a full qualification (as specified in the training package) and to Electrical Engineers.
